

# Setting Up Your Blogger Sidebar

1. From the Layout menu, click on *Add a Gadget*.

2. From the *Add a Gadget* list, scroll down to Link List and click the + sign.

3. Add a title (like a category) for the links you'll include under this title (Reading, Math, etc.). You can choose to alpha sort your titles or not. Paste in URL and add the name of that particular site. Click *Save*.
